SUPREME COURT OF LOUISIANA

No. 2021-KH-00541

STATE OF LOUISIANA

v.

ARTHUR LEE BROWN

**ON SUPERVISORY WRIT TO THE FIRST JUDICIAL
DISTRICT COURT, PARISH OF CADDO**

PER CURIAM:

Denied. Applicant fails to show that he received ineffective assistance of counsel under the standard of *Strickland v. Washington*, 466 U.S. 668, 104 S.Ct. 2052, 80 L.Ed.2d 674 (1984). Applicant also fails to show that the state withheld material exculpatory evidence in violation of *Brady v. Maryland*, 373 U.S. 83, 83 S.Ct. 1194, 10 L.Ed.2d 215 (1963). His remaining claims are repetitive. La.C.Cr.P. art. 930.4.

Applicant has now fully litigated several applications for post-conviction relief in state court. Similar to federal habeas relief, see 28 U.S.C. § 2244, Louisiana post-conviction procedure envisions the filing of a second or successive application only under the narrow circumstances provided in La.C.Cr.P. art. 930.4 and within the limitations period as set out in La.C.Cr.P. art. 930.8. Notably, the legislature in 2013 La. Acts 251 amended that article to make the procedural bars against successive filings mandatory. Applicant's claims have now been fully litigated in accord with La.C.Cr.P. art. 930.6, and this denial is final. Hereafter, unless he can show that one of the narrow exceptions authorizing the filing of a successive application applies, applicant has exhausted his right to state collateral

review. The district court is ordered to record a minute entry consistent with this per curiam.
